PLAN PILOT POINT

MASTER THOROUGHFARE PLAN OPEN HOUSE

COME TO REVIEW THE DRAFT MTP

The Master Thoroughfare Plan (MTP) will be available for come-and-go review and comment at this event! Members of the project team will be available to discuss any questions or refinements.

WHAT IS AN MTP?

The MTP shows the following on a map, utilizing tiered classifications of roadways:

- The location of future roadways
- How big they will be (i.e. right-of-way width)
- Number of lanes
- Whether or not they will have a median (divided or undivided)
