Lavon Launches Plan Update for the Future – Join the Conversation!

LAVON, TX (September 15, 2025) - We want you to be part of shaping the future of Lavon! The City is kicking off Horizon Lavon, an exciting Comprehensive Plan effort that will update our vision for the next 15 to 20 years. Since the Comprehensive Plan's adoption approximately three years ago, much has changed in Lavon, making this update necessary to ensure the Plan remains relevant. As we remain anchored in our community values and continue our tradition of intentional planning and design, the Lavon Comprehensive Plan Update will look to the future by identifying areas for investment and preparing for future needs. Key elements of the Comprehensive Plan update will include:

- Land Use + Community Design
- Economic Vitality
- Mobility + Connectivity, and
- Infrastructure

A Community Survey is available now for you to give feedback on what Lavon does well and where the community has opportunities for the future. We want to hear from you! Please visit HorizonLavon.com to fill out the survey which will close October 15. Your feedback is very important to create the vision for the future of Lavon.

In addition to the Community Survey, join us for a Community Forum on November 8, 2025, from 10am to 2pm (come-and-go) at Lavon City Hall, 120 School Road. This event, led by the planning and design team at LJA in conjunction with the City, will feature interactive stations and activities, including a fun kid-oriented station, to spark discussion and gather ideas to prepare for this new chapter in our city's history. Whether you're a lifelong resident, new to the community, a business owner, or some other role in Lavon, your insights and experiences will help create a roadmap for success, creativity, and a strong, connected city.

For more information and to stay updated and engaged on Horizon Lavon, visit the project website for details, event announcements, and email notifications. HorizonLavon.com is a digital hub for public collaboration opportunities and feedback during the Horizon Lavon process.

Lavon is a fast-growing community of approximately 12,000 people located in Collin County in the DFW Metroplex. Consistently recognized for its charm, location, and safety, the City's leadership is committed to providing a family-oriented place for generations to stay and grow and to continuously improve the quality of life in Lavon through establishing and fostering high-quality relationships and ensuring a safe and secure community.
